2010 HOME & GARDEN SHOW VOLUNTEER SCHEDULE

The 2010 Stark County Home & Garden Show is quite an ambitious undertaking. Its success over the last 59 years is largely due to the hands of volunteers that bring this show together. All members can participate in this event to show their support for fellow tradesmen and a way for new members to become acquainted with others in the organization. Anyway you look at it, there is something for everyone! Your services are greatly needed in the following areas; greeting the public, collecting admission and taking attendance counts, serving at the beer garden, and helping at the BIA/The Repository booth. Admission price will be \$7.00. Please fill in the times that are convenient for you to volunteer. We need at least two people per shift. A schedule of assigned duties and shifts will be sent to everyone volunteering. You may fax this to 330-494-6665 or call 330-494-5700. Thank You!!!
